Dental Hygiene
Associate in Applied Science
Academic Plan Code – 51060270119

Description:
This program prepares students to function as dental hygienists on a dental auxiliary team under the supervision of a dentist. The curriculum includes courses in general education and in dental hygiene as required by the Commission on Dental Accreditation. The program provides comprehensive educational experiences through lectures, clinical and related study in order that students may apply scientific knowledge in the performance of dental hygiene procedures. Students enrolled in the Dental Hygiene program must achieve a minimum grade of “C” in each Dental Hygiene and approved science course.

Upon completion, graduates are eligible to take the state licensing examinations for dental hygienists. As the only licensed dental auxiliary, dental hygienists may be employed in dentist offices, clinics, dental schools, public health and governmental agencies, industry and educational institutions. For more information about admission to the Dental Hygiene Program, please see the guidelines for the selective admission requirements.

Guidelines for Admission to the Dental Hygiene Program

The following information has been taken from the Rules of the Faculty of Bluegrass Community and Technical College and is subject to change without notice. All applicants meeting the appropriate academic requirements and technical standards shall be considered equally for admission to Bluegrass Community and Technical College or to any academic program thereof regardless of economic or social status, and without discrimination on the basis of race, color, religion, sex, marital status, beliefs, age, national origin, sexual orientation, or physical or mental disability.

Technical Standards

The delivery of Dental Hygiene care can be characterized as the application of specific knowledge to skillful performance. Therefore, in order to be considered for admission or to be retained in the program after admission, all applicants should possess:

1) Sufficient visual acuity, such as is needed in the preparation and administration of therapeutic agents and
for the observation necessary for patient periodontal assessment as in taking vital signs.

2) Sufficient auditory perception to interpret verbal communication from patients and members of the health care team to assess health needs of people through the use of monitoring devices, such as the stethoscope.

3) Sufficient gross and fine motor coordination to perform the delicate manual intraoral operations required of dental personnel, such as is needed in the scaling of teeth.

4) Sufficient verbal and non-verbal communication skills (speech, reading, and writing) such as are needed in classroom and clinical settings to interact with patients and professional personnel.

5) Sufficient intellectual and emotional functions to plan and implement care for individuals, such as are required in developing a dental hygiene treatment plan.

**Admission to the BCTC Dental Hygiene Program**

Selective admissions has gone to a “complete application packet” process. Packets are available in the Admissions Office, 200 Oswald Building (OB 200). Each applicant must submit the following credentials to the BCTC Office of Admissions by February 15, in order to be considered for admission to the Fall program:

You must submit a complete packet of all documents listed below:

1) Students who are **not currently enrolled** in classes at BCTC must fill out an application for admission, also available in the Office of Admissions (OB 200).

2) Official scores of the American College Test (ACT) or the Scholastic Assessment Test (SAT). This is also required of students with college work.

3) Official transcripts of all post-secondary education attempted. Transcripts must be submitted from EACH college or university attended, except from Kentucky Community and Technical College System colleges, and must show all periods of enrollment.

4) Evidence of work and/or observation in a dental environment as documented on the Dental Hygiene Observation/Work Experience Form (Available at the end of the Guidelines for Selective Admissions section of the Catalog.) 4 hours minimum.

5) Attendance at one pre-admission conference is mandatory. You may attend the conference of your choice (see Pre-admission Conferences). Include the form you are given.

**Preference Categories**

1) Preference will be given to candidates who have an enhanced ACT score of 21 or above.

2) Preference will be given to candidates who have achieved a grade point average of 3.0 or better in post-secondary education (on 12 or more college credits). Students with college credit must have at least a 2.5 grade point average to be considered for admission.

3) Preference will be given to candidates who submit evidence 24 or more hours of work and/or observation experience in a dental environment.

4) Preference will be given to candidates who have completed, in the approved curriculum, anatomy, physiology, microbiology, and/or chemistry coursework with a grade of “B” or better.

5) Preference will be given to Kentucky residents.

6) Preference may be given to candidates who have completed a bachelor’s or higher degree from an accredited college or university.

7) Preference may be given to Certified Dental Assistants.

Candidates whose credentials fall below the minimum criteria may be informed of an early decision regarding their admission status.

**Pre-admission Conferences**

Candidates’ questions will be addressed at pre-admission conferences. Conferences are mandatory; each candidate must attend one of the following pre-admission conferences:

<table>

</tr>
</tbody>
</table>

*The locations of conferences will be posted in the lobby of the Oswald Building, Cooper Campus, on the date of the conference if there is a room change.

**Rolling Admissions**

Applicants will be considered for rolling admission who have completed the admission process, have a composite score of **21 or higher** on the enhanced ACT, and have a cumulative grade point average of **3.5 or higher** (on a 4.0 scale) on eighteen or more college credit hours OR a 3.0 GPA with an earned Bachelor’s Degree. In addition, at least **two of the courses completed must be** a Human Anatomy and Physiology or Microbiology course from the approved curriculum, with a grade of “B” or better. Students meeting these criteria **may** be informed of immediate admission.

**Readmission Guidelines**

1) A student who withdraws from or earns a grade lower than a “C” in one of the approved science courses and/or in a dental hygiene course will not be permitted to continue in the Dental Hygiene Program. Students who withdraw from the Dental Hygiene Program any time during a term with a grade lower than a “C” may have any coursework attempted that fall term dropped from their permanent academic record.
does not meet the Technical Standards of the program will not be permitted to continue in the program.

2) Applicants who wish to apply for readmission should do so prior to February 15 if planning to enroll for the summer session or the fall semester or October 1 if planning to enroll in the Spring semester.

3) Readmission to the Dental Hygiene Program will be dependent upon available resources.

4) In order to be considered for readmission by the Admissions Committee, the applicant must do the following:

a.) Submit a written request to the Dental Hygiene Program Coordinator presenting evidence to justify readmission. This may include letters of recommendation from a previous faculty member or coordinator, additional course work, work experience, etc.

b.) Meet current guidelines for admission to the College and the Dental Hygiene Program.

5) Readmission may be contingent upon the candidate’s agreeing to audit previously completed course work.

6) A student who applies for readmission to the Dental Hygiene Program must provide significant evidence which suggests the potential for future success in the program. This evidence may address such things as unusual circumstances, remedial study, and/or additional preparation.

Transfer

Applicants who wish to transfer from another Dental Hygiene Program to the BCTC Program must 1) meet all admission requirements, 2) apply at least two months prior to the expected date of enrollment, and 3) notify the Coordinator in writing, stating anticipated entry date and reason for transfer. Acceptance of any transfer student will be dependent upon available resources.

Articulation Agreements

Should a student elect to enroll for credit in any course for which he or she may qualify for credit earned through an articulation agreement, he or she forfeits the right to receive credits for that course via the articulation agreement. Students who elect to articulate must have graduated from a qualifying Dental Assisting Program within the last three years. If you feel you meet articulation requirements, please contact the Dental Hygiene Program Coordinator for more information.

Selection of Students

The President of Bluegrass Community and Technical College will select the students for the Dental Hygiene Program after considering the recommendations of the Admissions Committee. The Admissions Committee includes the Dental Hygiene Program Coordinator, the Director of Admissions, the Assistant Dean of the Allied Health Division, a Dental Hygiene faculty member, a counselor, and a faculty member-at-large.
