Mission, Values, and Vision

Mission

With students at the heart of our mission, Bluegrass Community and Technical College (BCTC) provides excellence in teaching and learning. Through comprehensive and responsive programs and services, the college sustains a strong partnership with our communities to improve economic vitality and quality of life in the region. BCTC strives for a physical and intellectual environment that promotes access to life-long learning and a commitment to diversity.

The college meets the needs of a broad community of learners, both individuals and business and industry, by offering literacy skills, developmental education, workforce training, continuing education, liberal arts, and technical programs at multiple campus sites and through distance learning. BCTC works to foster professional competence, critical thinking, cultural and global awareness, civic responsibility, and a commitment to environmental sustainability within the college community. Graduates are awarded associate degrees, diplomas, and certificates in preparation for careers or for transfer to baccalaureate programs.

With the passage of the Kentucky Postsecondary Education Improvement Act of 1997, Central Kentucky Technical College (CKTC) became part of the Kentucky Community and Technical College System (KCTCS). House Joint Resolution 214 joined Lexington Community College with KCTCS, resulting in consolidation with CKTC to form Bluegrass Community and Technical College in 2005. BCTC is a comprehensive public two-year, degree-granting community and technical college serving primarily the central Kentucky region.

Bluegrass Community and Technical College’s goals focus on:

- Student Access and Success
- Teaching and Learning
- Economic Development
- Community Outreach
- Diversity and Global Awareness
- Technology and Communication
- Assessment and Evaluation
- Student and Customer Service
Values

In pursuing our vision and enacting our mission, the Bluegrass Community and Technical College holds the following as the values underlying all activities:

- Open access and affordability
- Excellence in teaching, advising, and supporting students
- Lifelong learning
- A culture of trust, respect, and open communication
- Diversity of thought, culture, and experience
- Transferability and applicability of skills and coursework
- Efficiency and effectiveness
- Strategic planning
- A skilled workforce and economic vitality
- Flexibility in responding to community needs

Vision

Bluegrass Community and Technical College is the provider of educational opportunity and a leading force for social and economic vitality in the region.

EMPLOYMENT INFORMATION

Part-time Faculty Employment Policy

Bluegrass Community and Technical College employs part-time faculty who assist in carrying out the mission of the institution. The College employs only faculty who meet the qualifications established by the Southern Association of Colleges and Schools and provides each part-time faculty member with a contract signed by the President of the College, delineating pay, employment dates, and teaching load. This Part-time Faculty Handbook explains responsibilities of the part-time faculty member and lists services provided for them.

The President is responsible for employing all faculty members of the College and will involve the Vice President of Academics, the Deans of Academics, the Division Assistant Dean, the Program/Area Coordinator, and other staff and faculty in the selection process.

Credentials

All part-time faculty are responsible for filing the required materials, a letter of application, a resume, three letters of reference, and official transcripts that document teaching credentials required for the proposed teaching assignment, with the Office of Academic Affairs. If there are additional degrees above the qualifying degree, these transcripts are also required.

Part-Time Faculty Load

The maximum teaching load for part-time faculty is 15 credit hours for each semester and 6 credit hours for each summer term.

Contract

All part-time faculty are responsible for signing and returning all copies of the contract to the Division Office Manager. The original copy of the contract will be mailed to the faculty member when it has been signed by the Division Assistant Dean and Dean.

Method of Payment

All new and present employees, as well as student workers, must have their payroll direct deposited; go to www.kctcs.edu/businessservices/FORMS/PR95.doc and complete the PR 95 Direct Deposit form and submit the form to the Payroll Office, Oswald Building 208, Cooper Campus.

To check your pay stub and for other information, log onto https://employees.kctcs.edu and then enter your KCTCS log-on ID (jdoexxxx) and password. When you click on Employee Services, you can choose to view your: personal information, job history, pay check, direct deposit, or leave balance.
**Required Documents**

**MS/DS Quiz** - After the required training, the quiz should be taken and submitted to the appropriate division office manager (new adjuncts only).

**W4/K4** - The W4 and K4 forms should be completed to indicate or change the number of exemptions the employee claims.

**DRUG-FREE WORKPLACE POLICY CERTIFICATION** - The Federal Drug-Free Workplace Act of 1988 (Section 5151) requires that all employees receive a copy of the policy which declares that the Kentucky Community and Technical College System a drug-free workplace. This policy notification and the signed statement insure the System’s compliance with the federal law.

**EMPLOYMENT ELIGIBILITY VERIFICATION (I-9 FORMS)** - Due to the Immigration Reform and Control Act of 1986, Employee Eligibility Verification forms, better known as I-9 forms, must be completed on all incoming full-time and part-time employees. This form is included in the employment package.

The new employee must present appropriate identification as proof of citizenship, i.e., U.S. passport (expired ones are acceptable), driver's license, social security card, etc. (Please see the next page for acceptable documents. Note that you need one item from List A OR an item from List B AND an item from List C.) For verification, the identification and I-9 form must be brought to:

- **Cooper**
  - Appropriate Division Office Manager
  - Judy Southerland

- **Leestown**
  - Sally Soard

- **Lawrenceburg**
  - Tara Hurt

- **Danville**
  - Judy Southerland

- **Winchester**
  - Joy Trent or Arlene Ross

**OVERLOAD** - Any salaried or hourly Kentucky Community and Technical College System employee must submit documentation of approval for an internal overload assignment to teach as a part-time faculty member at Bluegrass Community and Technical College. An internal overload form, required for salaried employees, must be initiated by the employee’s KCTCS dean or supervisor. For hourly employees an overload letter, available in the Bluegrass Community and Technical College Business Human Resources, 208 Oswald Building, must be signed by the employee’s KCTCS supervisor.
**Lists of Acceptable Documents for I-9**

Division Office Managers and Campus Assistants can provide the access code. Please be reasonable when planning your class needs. Copier transparencies, available from your office manager, and electronic reserves, available in the Learning Resources Center, are options for sharing instructional materials with your classes. Faculty are expected to adhere to the Copyright Law found below.

The Copyright Law
(Copyright Act of 1976 - Title 17 of the U.S. Code) Effective date: January 1, 1978

HIGHLIGHTS
Copyright protection is provided for the life of the author plus 50 years. At that time all of an author's work fall into the public domain. Copyright protection in effect for works published under the old (1909) copyright law is extended to a total of 75 years. Fair use is now given statutory recognition and it allows the copying of a limited amount of material without permission from, or payment to, the copyright owner for reasonable use that is not harmful to the rights of the copyright owner. Federal copyright law is extended to unpublished work. Copyright protection extends to literary works, musical works, dramatic works, pantomimes and choreographic works, pictorial, graphic and sculptural works, motion pictures and other audio-visual works, and sound recordings.

Exclusion: U.S. government works.

Exclusive Rights of Copyright Owners:
1. to reproduce the work in printed or audio-visual formats;
2. to prepare derivative works;
3. to distribute copies;
4. to perform the work publicly;
5. to display the work publicly.

Infringement:
Remedies available to the copyright holder for infringement include damages, injunction, and the recovery of court costs and attorney's fees. Criminal infringement (done willfully for financial gain) is subject to $10,000 fine and/or one year imprisonment.
A TEACHER MAY NOT
- make multiple copies of a poem, article, story or essay by the same author more than once per academic term, or make multiple copies from the same collective work or periodical issue more than three times per term.
- make an overrun for other teachers or students in other courses.
- make multiple copies of works more than nine times for one course in the same term.
- make copies of works to create an anthology.
- make a copy of "consumable" materials, e.g., workbooks.

A TEACHER MAY
- make a single copy for the use in scholarly research or in teaching, or in preparation for classroom instruction, of the following:
  - a chapter from a book;
  - an article;
  - a short story, short essay, or short poem;
  - a chart, graph, diagram, drawing, cartoon, or picture from a book, periodical or newspaper.
- make multiple copies for classroom use only, not to exceed one per student in a class, of the following:
  - a completed poem not exceeding 250 words and two printed pages;
  - an excerpt from a longer poem up to 250 words;
  - a completed article, story, or essay, if it is less than 2,500 words;
  - an excerpt from a prose work, not exceeding 1,000 words or 10 percent of the work, whichever is less; one chart, graph, diagram, drawing, cartoon, or picture per book or periodical.

A LIBRARY MAY
for interlibrary-loan purpose:
- make up to five copies a year of a periodical published within the last five years.
- make up to five copies a year of small excerpts from longer works.
- make copies of unpublished works for purposes of preservation and security.
- make copies of published works for purposes of replacement of damaged copies.
- make copies of out-of-print works that cannot be obtained at a fair price.

Email Access
All adjunct faculty must check their College email accounts at least one each week and delete material they no longer need. All adjunct faculty are required to have a KCTCS email account which is the primary source of official information from the College. Please see your Division Office Manager about setting/re-setting your password.

Mail
Faculty mail will be distributed in mailboxes located in the division suites on the Cooper Campus. The Division Office Manager can provide information for sending campus or U.S. mail. Part-time faculty mail folders can be found in M 130 at the Leestown Campus. Extended campuses will make arrangements to house part-time faculty mail in the faculty workrooms or a place to be determined by the campus directors.
Phone

Please see your Division Office Manager if you want access to voice mail. Faculty members can be assigned extensions to the College’s main number and given instructions for accessing personal voice mailboxes.

I.D. Cards

Part-time faculty are eligible for KCTCS identification cards. These cards can be used for a variety of discounts on goods and services. Contact the Visitors Information Center, OB lobby, or Human Resources, OB 208 for further information. Extended Campus adjunct faculty may email Joanna Dickerson at joanna.dickerson@kctcs.edu to receive their cards.

Supplies

The Coordinator will provide a desk copy of the text. The Division Office Manager provides general supplies such as notepads, pens/pencils, transparencies, grade books, etc.

Food Service

Bluegrass Community and Technical College has an on-campus food service area at the Cooper Campus. The Café is located in 104 Oswald. Check for hours of operation.

Bookstore (check for extra hours at beginnings and ends of semesters)

Parking

All parking areas surrounding Bluegrass Community and Technical College Cooper Campus and the Commonwealth Stadium require a University of Kentucky parking permit from 5:00 a.m. through 7:30 p.m., Monday through Thursday and through 2:00 p.m. Friday afternoons. Evening faculty who arrive at Cooper Campus after 7:30 p.m. are not required to purchase a parking permit. Designated parking places are available at Leestown for visitors and general parking. A permit is not required for parking at Leestown Campus or the extended campuses.

Faculty parking on Cooper Campus is available in the E gated lot next to the Moloney Building or in the Parking Structure 7 across from the University of Kentucky tennis courts, 721 Sports Center Drive. Applications are available from the Division Office Managers. Information regarding costs is available online at http://www.uky.edu/Parking/

Parking areas for persons with disabilities are patrolled and tickets issued 24 hours a day, seven days a week. Permits or license plates issued by government agencies are not sufficient for parking in spaces for persons with disabilities on the Bluegrass Community and Technical College, Cooper Campus/University of Kentucky campus. You must apply for a special campus permit to use those spots.
Smoking Policy

In compliance with Kentucky Administrative Regulation, this College is a *non-smoking* institution, except for outdoor-designated smoking areas.

*Non-smoking* means that the use of cigars, cigarettes, and pipe smoking is prohibited in the buildings.

The outdoor-designated smoking areas for Bluegrass Community and Technical College are as follows:

**Cooper Campus:**
- Oswald Building: patios off the first floor, both sides.
- Moloney Building: north side (Cooper Drive side) patio by semi-circular concrete wall.
- Academic Technical Building: area outside the northeast (KET side) entrance of the building.

**Leestown:** designated smoking areas at each building

**Regency:** picnic table

**Extended Campuses**
- check with campus contact

Snow-Inclement Weather

The cancellation or delay of classes announcements will normally be made by 6:00 a.m. through the local media including radio and television. The most current updates will be available online at [http://www.bluegrass.kctcs.edu/marketing/severe_weather/](http://www.bluegrass.kctcs.edu/marketing/severe_weather/)

Lost and Found

Lost and Found items should be reported or brought to 203 Oswald Building at the Cooper Campus, room 200 at Regency Campus, or the receptionist area in C building at Leestown Campus. Please check with the campus contact at the extended campuses for lost and found.
Policy for Children on Campus

Bluegrass Community and Technical College seeks to maintain a friendly, professional environment conducive to the productivity of faculty and staff and to the education of students.

Under currently crowded circumstances, special care must be taken to ensure an effective working and learning environment. For this reason faculty, staff, and students should make appropriate primary plans as well as alternate plans for the care of their children outside the Bluegrass Community and Technical College environment.

For faculty and staff, visits by children to the campus should either be infrequent emergency situations cleared in advance with a supervisor or division Assistant Dean, or short visits to familiar employees.

For students, visits by children are appropriate only when brief business is to be conducted on campus. Children must remain with their parents at all times.

Neither students nor faculty may bring children to class, as this impacts the teaching/learning environment for everyone in the classroom. A student who brings a child to campus forfeits the opportunity to attend class that day, as the child can neither be brought into the classroom nor left unsupervised.

To prevent misunderstandings, policies regarding children on campus should be included in faculty, staff, and student handbooks. Information should be communicated at all student, staff, and faculty orientations and at the college wide meeting at the start of the academic year.

Timing of reminders is equally important, as these can prevent “emergencies” arising from forgetting the policy. Faculty and supervisors should reiterate the policy about children on campus at the outset of the semester and at least a week in advance of public school holidays so that student, faculty, and staff parents can remember and implement their alternate plans. It may also be helpful to encourage discussion regarding alternate plans so that parents can become aware of a variety of options.
INSTRUCTION

Expectations Regarding Part-Time Faculty Members

Bluegrass Community and Technical College expects faculty to carry out their duties in a professional, ethical, and collegial manner that enhances the mission of the College.

Part-time faculty represent a substantial portion of the Bluegrass Community and Technical College teaching staff. The College is aware of the important contributions made by part-time instructors, not only in the classroom but also in the community.

Part-time faculty report directly to the Division Assistant Dean and/or Program/Area Coordinator. They teach classes using the established texts and/or the prescribed instructional materials. Instructors are expected to:

- prepare adequately for all classes;
- provide students with the program-/area-approved course objectives;
- evaluate student progress appropriately, equitably, and in a timely manner;
- establish and maintain effective working relationships with colleagues and supervisors;
- maintain professional competence;
- conduct classroom and college-related activities in a professional manner;
- meet all assigned classes punctually;
- maintain all necessary and required records relating to student achievement, progress, and attendance;
- assist in maintaining effective laboratories where applicable;
- provide all students with reasonable academic assistance.

In addition to the information provided in this guide, faculty members are expected to be generally familiar with the contents of the Faculty Handbook and the Code of Student Conduct available on-line at http://www.bluegrass.kctcs.edu/aa/faculty/ as well as the College Catalog and the current Schedule of Classes, also available on-line. Further, part-time faculty are encouraged to attend the scheduled part-time faculty orientation/professional development activities each semester and are invited to attend division and faculty meetings whenever possible.

Instructor's Absence

The College does not provide substitute faculty and discourages any cancellation of classes. If a faculty member must be absent from class for illness, he/she should notify the Division Assistant Dean, the Program/Area Coordinator, the Division Office Manager, and the class in advance. The faculty should let the Coordinator know what arrangements have been made for the class. If an emergency occurs and students are not notified in advance that the class is canceled, the Division Office Manager should be given the necessary information. This will allow the Division Office Manager to prepare a message to put on the classroom door to notify students of the instructor's absence. Then the Assistant Dean and the Coordinator should also be informed of the absence. For classes meeting at extended/off-campus sites, faculty should notify the appropriate contact person at that site as well as the Program/Area Coordinator and Division Assistant Dean.
**Kentucky Community and Technical College System Policy on Academic Freedom**

Source: KCTCS Board of Regents Policies 2.9.1.2 (5/14/04)

It is the policy of the Kentucky Community and Technical College System to maintain and encourage, within the law, full freedom in inquiry, discourse, teaching, research, and publication; and to protect members of the academic community against influences, from within or without, which will restrict them in the exercise of these freedoms in the faculty members’ areas of scholarly interest. Teachers and students will be permitted and encouraged to investigate any theory, challenge any premise, engage in political and social debate, and express their dissent without jeopardy to their academic careers, provided their behavior is not in violation of the law and does not interfere with the normal operation of the educational programs of the Kentucky Community and Technical College System.

In their roles as citizens, faculty members and students have the same freedoms as other citizens, without institutional censorship or discipline, although they should be mindful that accuracy, forthrightness, and dignity befit their association with the Kentucky Community and Technical College System and their positions as persons of learning. When faculty members or students speak or write as citizens, they should indicate that they are not speaking for their college or the Kentucky Community and Technical College System.

KCTCS faculty members who feel their rights have been violated may file an appeal through the KCTCS Senate Advisory Committee on Appeals as outlined in the KCTCS Policy Manual. Students who feel their rights have been violated may file an appeal through the proper channels as outlined in the Code of Student Conduct Handbook.

**Academic Rights of Students**

Source: Code of Student Conduct 2.2

**Information about Course Content**

A student has the right to expect the course to correspond generally to the description in the official Bluegrass Community and Technical College Catalog and the right to be informed in writing at the first or second class meeting, or in the introductory materials for a distance learning course, about the nature of the course--the content, the activities to be evaluated, and the grading practice to be followed. A student shall be informed of whenever factors such as absences or late papers will be weighed in determining grades.

All students must be informed in writing of the course content and other matters listed in this rule at no cost to them. On the first or second day of class, all students officially enrolled in a course must be provided a copy of the course syllabus free of charge.

**Contrary Opinion**

A student has the right to take reasoned exception to the data or views offered in the classroom without being penalized.
Academic Evaluation

Students have the right to receive grades based only upon fair and just evaluation of their performance in a course as measured by the standards announced by their instructor(s) at the first or second class meeting or in the introductory materials for a distance learning course.

Evaluations determined by anything other than a good faith judgment based on explicit statements of the above standards are improper. Among irrelevant considerations are race, color, religion, sex, national origin, sexual orientation, age, disability, marital status, and political affiliations, or any activities outside the classroom that are unrelated to the course work or program requirements.

Academic Records

Students have the right to have their academic records kept separate and confidential unless they consent in writing to have them revealed. The chief executive officer or designee may disclose a student's academic record without that student's consent to authorized college personnel if the information is required for official use, such as advising students, writing recommendations, or selecting candidates for honorary organizations.

Evaluation of Student Character and Ability

Students have the right to have their character and ability evaluated only by individuals with a personal knowledge of the student. Records containing information about a student's character and ability shall indicate when the information was provided, by whom, and the position of the individual providing this information.

Syllabus

Students must be provided a written syllabus at the first or second class meeting.

Syllabus Guidelines

Instructions: The following items must be completed for each course syllabus for courses offered at Bluegrass Community and Technical College. Assistant Deans or Program/Area Coordinators should be consulted if any questions arise.

Course Identification -- (Department Prefix and Number) and Course Title

Instructor’s Name/ Office Hours/ Phone Number

Coordinator’s Name/ Division Phone Number

Course Description – Use the official course description, including prerequisites or co-requisites, as written in the current Bluegrass Community and Technical College Catalog.

Objectives – This section is designed to inform the students, in broad terms of what is expected of them. These broad statements should define the general outcomes desired for both instructor and student. Course objectives are those adopted by the program/area and must be the same
for all sections of the course. Program/Area Coordinators have been assigned responsibilities for directing full- and part-time program faculty in the preparation of course syllabi and ascertaining consistency of course objectives. Faculty should contact the Program/Area Coordinator for the approved objectives.

Instructional Materials – This section should list both the required texts and materials and any recommended texts and materials.

Instructional Modes To Be Used – This section indicates the types of instructional techniques to be used and should include anticipated field trips, required outside seminars, lectures, etc. Resources (tutors, computer-assisted instructional materials, Web assignments, audiovisual materials, and texts on reserve) to help students meet course objectives would be helpful.

Class Procedures – Any specific directions or procedures regarding the style of written assignments, retention of corrected papers, acceptance of late assignments, make-up work, etc. that the students must follow should be noted in this section of the syllabus.

Course Requirements – Required course elements, including examinations, lab experiences, attendance, and other graded assignments such as presentations, papers, homework, quizzes, and clinicals, must be listed. The College rule on excused absences is explained on page 22.

Grading Criteria – The method of evaluation is of great concern to students. State the criteria for each letter grade. Whatever the method of evaluation, one should explain the method chosen in detail so the students understand how their final grade will be determined. For example, some faculty require a student to complete a certain number of specific course objectives for a “C,” and additional objectives for a “B” or an “A.” Others require the student to complete the objectives with a certain degree of proficiency for a “C,” a higher degree for a “B” and still a higher degree for an “A.” Some use a point system as the basis for the grade.

The policy for assigning a “W” grade must be stated. The College rule on withdrawal from class is explained on page 26 of this document.

Policies on cheating and plagiarism, which address grading criteria, must also be stated. The College rules on academic offenses and disposition of cases of academic offenses begin on page 27 of this document.

Course Outline – A course outline, specifying units and topics, must be included.

General Education Competencies – The syllabus for all general education courses must include the appropriate learning outcomes, the instructional objectives showing the method of evaluation of each of these competencies. The Program/Area Coordinator will provide the appropriate information.

INSTRUCTOR: ____________________________ (Signature)

REVIEWED: ________________________________ (Signature of Program/Area Coordinator)

DATE: ________________________________

Revised 1/08
**Excused Absences**

For each course in which the student is enrolled, the student shall be expected to carry out all required work including laboratories and studios and to take all examinations at the class period designated by the instructor.

Each instructor shall determine his/her policy regarding completion of assigned work, attendance in class, absences at announced or unannounced examinations, and excused absences in excess of one-fifth of class contact hours. This policy shall be presented in writing to each class at its first or second meeting. Students' failure to comply with the announced policy may result in appropriate reductions in grade as determined by the instructor. Please work with your program/area coordinator to see if area/program attendance guidelines have been established.

**Midterm Progress**

By the last day of class before the midterm withdrawal date, all teachers must inform the students in their courses of their current progress based on the criteria in the syllabus.

**Final Examinations**

Source: KCTCS Senate *Rules*

If a final examination is to be given, it will be administered during the examination period as scheduled by the Registrar for the semesters of the regular school year. These examination periods will utilize the last five days of each semester, and will be preceded by a study day or weekend on which no classes or examinations will be scheduled.

Final examinations, where appropriate, will be administered during the last class day of the summer session.

Final examinations may be given at times other than the regularly scheduled time in the following instances:

In the case of conflicts or undue hardship for an individual instructor, a final examination may be rescheduled at another time during the final examination period upon the recommendation of the Division Assistant Dean and with the concurrence of the President and the Registrar.

Any student with more than two final examinations scheduled on one date shall be entitled to have an examination rescheduled. The student must submit a petition for rescheduling in writing to the instructor no later than one week prior to the last class meeting.

If a conflict is created by rescheduling of an examination, the student shall be entitled to take the rescheduled examination at another time during the final examination period.

In the case of undue hardship for an individual student, a final examination may be rescheduled by the instructor.
Faculty are encouraged to give students a final assessment (e.g., a test, paper, or project), which normally takes place or is due during the established time of the finals week unless approved by the Assistant Dean; and

Part-time faculty should remain fully engaged in the college community throughout finals week.

**Grading System**

Source: *KCTCS Catalog*

- **A** Represents exceptionally high achievement. It is valued at four (4) grade points for each credit hour in non-development/remedial courses.

- **B** Represents a high achievement. It is valued at three (3) grade points for each credit hour in non-development/remedial courses.

- **C** Represents average achievement. It is valued at two (2) grade points for each credit hour in non-development/remedial courses.

- **D** Represents the minimum achievement for credit. It is valued at one (1) grade point for each credit hour in non-development/remedial courses.

- **E** Represents unsatisfactory achievement and indicates failure in the course. It is valued at zero (0) grade points and zero (0) credit hours in non-development/remedial courses. Credit may be obtained by repeating the entire course.

- **F** Represents an unsatisfactory grade in a course taken on a Pass-Fail basis. The student who receives a grade of “F” in a course shall not be eligible to continue into the next sequential course(s). It has no value in completing the grade point average. Credit may only be obtained by repeating the entire course. This grade may be used for developmental courses.

- **AU** (Audit) has no value in computing grade point average.

- **I** Means that part of the regularly assigned work of the course remains unfinished. It shall be given only when there is a reasonable possibility that a passing grade will result from the completion of the work. The instructor shall not give an I grade when the reason for incompleteness is unsatisfactory. The instructor and student will discuss the requirements for completion of course with the time limit for completion not to exceed a maximum of two years; failure to do so will result in a change of grade from I to an E.

Each college shall maintain a record of incomplete grades recorded in courses of that college. This record, completed by the instructor at the time the I grade is reported, shall include: (1) the name and number of the student, (2) the course number and hours of credit, (3) semester or
session and year of enrollment, (4) signature of the instructor, (5) a brief statement of the reason(s) for recording the incomplete grade, and (6) an adequate guide for removal of the incomplete grade. In the instructor’s absence, the division chairperson or the designee, shall forward to the president/director (or designee) the appropriate letter grade to replace the incomplete grade.

W Represents a withdrawal from class without completing course requirements. A student may officially withdraw from any class up to and including the date of mid-term with a W grade. After the date of midterm and through the last class of the semester or session, any student may officially request to withdraw from a course and receive a grade of “W” which may be given at the discretion of the instructor. Each instructor shall state on the first or second class meeting the factors to be used in determining if a student will be allowed to withdraw during the discretionary period. An instructor shall not assign a student a W grade for a class unless the student has officially withdrawn from that class in a manner prescribed by the college. The grade of W may be assigned by the Community/Technical College Appeals Board in cases involving a violation of student academic rights or offenses.

P Represents a satisfactory grade in a course taken on a Pass-Fail basis. The student who receives a grade of P in a course shall be eligible to continue into the next sequential course(s). The grade of P may be assigned by the Community/Technical College Appeals Board in cases involving a violation of student academic rights. It has no value in computing the grade point average. This grade may be used for developmental courses and may also be assigned by the Community/Technical College Appeals Board.

MP Represents Making Progress and may be assigned only for developmental courses and means that the student has made significant progress but needs and deserves more time to achieve a passing grade. The student should re-enroll in the course in order to continue advancement to the level of competence set for the course. Grades may be earned following re-enrollment for developmental courses. The grade of MP has no value in computing grade point average.

Pass/Fail May be selected for a maximum of two elective courses, subject to certain restrictions, by students with at least 30 credit hours and not on academic probation. These can count toward graduation but are not used in calculating grade-point standing. Courses taken on a pass-fail basis shall be limited to those considered as elective in the student’s program, and such other courses or types of courses as might be specifically approved by the Community College Council. Prerequisites for such courses may be ignored at the student’s own hazard. The student is expected to participate fully in the course and take all examinations as though the student were enrolled on a regular basis. Students may not change from a pass-fail basis nor from a regular basis to a pass-fail basis after the last date for entering an organized class. Courses offered only on a pass-fail basis, remedial or developmental, or taken by special examination, shall not be included in the maximum number of elective courses which a student may take under these provisions.
Academic Offenses
Plagiarism, Cheating and Misuse of Academic Records
Source: Code of Student Conduct 2.3  http://www.bluegrass.kctcs.edu/aa/faculty/

Students shall not plagiarize, cheat, or falsify or misuse academic records.

Plagiarism (2.3.1.1)

Plagiarism is the act of presenting ideas, words, or organization of a source, published or not, as if they were one’s own. All quoted material must be in quotation marks, and all paraphrases, quotations, significant ideas, and organization must be acknowledged by some form of documentation acceptable to the instructor for the course.

Plagiarism also includes the practice of employing or allowing another person to alter or revise the work which a student submits as the student’s own. Students may discuss assignments among themselves or with an instructor or tutor, but when the actual material is completed, it must be done by the student, and the student alone. The use of the term “material” refers to work in any form including written, oral, and electronic.

All academic work, written or otherwise, submitted by a student to an instructor or other academic supervisors, is expected to be the result of the student’s own thought, research, or self-expression. In cases where students feel unsure about a question of plagiarism involving the student’s work, the student must consult the instructor before submitting the work.

Cheating (2.3.1.2)

Cheating includes buying, stealing, or otherwise obtaining unauthorized copies of examinations or assignments for the purpose of improving one’s academic standing. During examinations or in-class work, cheating includes having unauthorized information, and/ or referring to unauthorized notes or other written or electronic information. In addition, copying from others, either during examinations or in the preparation of homework assignments, is a form of cheating.

Student Co-Responsibility (2.3.1.3)

Anyone who knowingly assists in any form of academic dishonesty shall be considered as guilty as the student who accepts such assistance. Students should not allow their work to be copied or otherwise used by fellow students, nor should they sell or give unauthorized copies of examinations to other students.

Misuse or Student Falsification of Academic Records (2.3.1.4)

The misuse or actual or attempted falsification, theft, misrepresentation or other alteration of any official academic record of the college is a serious academic offense. As used in this context, "academic record" includes all paper and electronic versions of the partial or complete academic record.
Disposition of Cases of Academic Offenses
Source: Code of Student Conduct 2.4

Responsibility Involving Academic Offenses (see above Section 2.3)

When a student is believed to be guilty of any of the four academic offenses (2.3.1.1 – 2.3.1.4), a student will find information concerning responsibilities of college personnel in section 2.5.2. In case of an alleged academic offense (section 2.3.1) by a student, the instructor shall notify the student in writing, explain the sanction to be implemented, and inform the student of her/his rights to appeal.

The student shall have ten (10) calendar days from the date of submission of the instructor’s notification in which to appeal in writing to the instructor’s division chair.* The student may appeal the fact of guilt for all three faculty sanctions listed in section 2.3.2.1 and other academic sanctions in section 2.3.2.2. The student may appeal the severity of the academic sanction which assigns a failing grade for the course.

Refer to flowchart in Code: Appeals in Cases of an Alleged Student Academic Offense (Figure 2)

Academic Ombud

The Academic Ombud is those officers of the College charged with consideration of student grievances in connection with academic affairs.

Functions

The Office of Ombud shall provide a mechanism for handling issues for which no established procedure exists or for which established procedures have not yielded a satisfactory solution. It is not intended to supplant the normal processes of problem resolution. In some cases where there is a clear need to achieve a solution more quickly than normal procedures provide, the Ombud may seek to expedite the normal processes of resolution.

Bluegrass Community and Technical College’s Ombuds are:

Vicki Wilson  MB 217 Cooper Campus  246-6316  vicki.wilson@kctcs.edu
Kathy Swango  M 106 Leestown Campus  246-6457  kathy.swango@kctcs.edu
Staci Holderman Lawrenceburg/ Danville  246-6865  staci.holderman@kctcs.edu

Unauthorized Class Attendance

Persons whose names do not appear on the class roll should not be permitted to attend any class session -- this includes children (see Policy for Children on Campus, page 18 of this document), friends, spouses, etc. Faculty should be consistent in implementing this policy.

Field Trips

Faculty members who plan to take students on course-related field trips must contact the Division Assistant Dean for relevant procedures.
Recording “I” Grades

Bluegrass Community and Technical College is required to maintain a file record of Incomplete grades reported in courses. To accomplish this, a special form is used upon which the required information is recorded. One form is used for each student receiving the “I” grade. Forms are available from the Division Office Managers.

Posting of Grades

The KCTCS Legal Counsel has advised that posting grades is a violation of the Privacy Act when the student is identified by name, social security number, or any other method that would publicly identify the student. Faculty may, however, post grades if they develop some procedure that does not publicly identify the student. For instance each student may make up a personal pseudonym and give that to the teacher to use for grade posting.

Grade Reports

Full- and part-time faculty must enter grades for each student into PeopleSoft following the directions provided by the Registrar. All faculty entering grades directly into the student information system should print two copies of the grade report and submit these to the division office managers, as the divisions are required to maintain file copies of all grades. All “I” grades must be accompanied by an Incomplete Form available from the Division Office Manager, and all “E” grades must be accompanied by the date of the student’s last contact with the faculty member. Grades should be submitted as soon as possible after the scheduled final exam, but no later than noon on the Monday following the end of final examinations for the semester or the date specified by the Registrar for summer sessions.

Leestown faculty will complete their grade rosters via PeopleSoft and print a copy for the assistant dean.

Records

Copies of your grade books for a given semester should be given to the Division Office Manager at the end of each semester. Any graded materials not returned to the students must be maintained on file for at least one calendar year.

Changing Grades

An individual faculty member may change a mark once it has been reported to the Registrar’s Office within one year of the date of the original grade by forwarding to the Registrar a copy of the grade change form. Special Circumstance Grade Report forms are available from the Division Office Manager. Reports of all grade changes are sent by the Registrar to the student and the Division Assistant Dean.

Faculty Evaluation

A student evaluation of instruction is conducted for every part-time faculty member in the fall. In spring semesters and summer terms, those part-time faculty members who have taught for four or
fewer semesters and those requested to do so by their coordinators will be evaluated. A memo identifying dates and describing procedures will be distributed at least two weeks prior to the evaluation period.

These evaluations are considered important and are reviewed by the College administration. Each faculty member and the Coordinator will receive a copy of the results of his/her evaluation for use in improving future classroom performance.

Evaluation forms to be used in the current evaluation period will be available in each division suite and the library.

Bluegrass Community and Technical College Guidelines on World Wide Web Accessibility

The World Wide Web serves as a primary information source for many individuals. Given that Bluegrass Community and Technical College encourages faculty and staff to develop websites for helpful access by members of a growing web community, the College sets forth the following guidelines for web page accessibility.

GUIDELINES:

Standards. Bluegrass Community and Technical College endorses guidelines established by the World Wide Web Consortium (W3C), adopting these as the standard for Web accessibility.

Section 508 standards delineated in the Federal Rehabilitation Act align with the World Wide Web Consortium (W3C) guidelines, providing a useful blueprint for determining accessibility. Effective January 1, 2004, new, revised, and first priority Web pages published or hosted by Bluegrass Community and Technical College must comply with these W3C standards.

Web pages existing prior to this accessibility initiative should also be adapted for compliance. All efforts to achieve compliance should be documented.

Where information may not through reasonable effort be provided on legacy Web pages, the content must be made available to any individual needing access. The unit originating the web information bears responsibility for providing that access—either by revision or, in cases of undue financial or administrative burden, by an appropriate alternative format.

Priorities. Core institutional information should receive priority in the accessibility initiative. Such information includes registration, advising, admission, catalogs, student services, and course information. Units with web sites containing core institutional information should establish priorities for ensuring access according to frequency of use. The following guidelines are suggested:

First priority
- The top 20% of Web pages most frequently used (according to numbers of hits or as logically assessed by the unit). Each unit should determine the top 20% of Web pages used and other high priority pages.
- Pages required for participation, funding, disability-related services, or other key pages
- Web pages specifically requested for access as part of a formal accommodation request. These should be made accessible as soon as possible, or an alternative that communicates equally effectively must be provided.

**Facilitation of Access**
Each college Web site must include two contact links for users having trouble accessing the site’s content. Typically this would be the division Content Manager and/ or maintainer and the college’s web coordinator. Web pages should also contain dates of publication and last update.

Individuals testing access to Web pages should use a variety of browsers and evaluation tools. Assistance is available in the College’s Technology Resource Center.

**Access to Web Courses**
Faculty teaching online courses or Web-enhanced courses should screen and adjust the components of the course for accessibility based on W3C guidelines. This includes Web sites, PowerPoint slides, multimedia, and other features.

**Perform a Manual Check**
The teacher/designer of an online course should perform usability checks before the course or resources are made available to students. Try turning off graphics to judge whether a student using a screen reader or text only browser will have a similar experience to any other student.
To turn off graphics:
- In Internet Explorer, Tools - Options - Advanced tab - Multimedia - uncheck show pictures. Apply.
- Click the Refresh icon on your browser window.

Faculty will be asked to provide documentation that their course has been screened and to include in their online syllabi and courses an accessibility statement containing contact information. (*Example:* “Bluegrass Community and Technical College’s mission includes providing access to a diverse community and offering an inclusive, student-centered environment. Individuals having disabilities that impact access to this web site or online course should contact [email address of the instructor].”)

Such documentation will be kept on file as evidence of the College’s good faith effort to ensure accessibility and as certifying material with which to respond to the Kentucky Virtual College’s accessibility surveys.

**Exceptions**
Where compliance is not possible, exceptions to this policy may be reviewed by the College’s Web Technology Committee, chaired by the Director of Information Technology Services.

**Resources**
How People with Disabilities Use the Web
http://www.w3.org/WAI/EO/Drafts/PWD-Use-Web/

Services
Student Support Center (Cooper Campus)

Counselors provide personal, career, academic and admissions counseling. A learning specialist is available to help students improve their note taking, test taking, listening, time management, and other study skills. Free tutorial services are available to all students through the Student Support Center. Opportunities for involvement in student activities and community service are also available.

All services provided by the Center are free, and counseling is confidential. If necessary, with the student’s permission, referrals may be made to community services. Students are welcomed on a walk-in basis depending on counselor availability or by appointment. The Student Support Center is located in 103 Oswald Building.

Disability Support Services

The Disability Support Services personnel, located in 103 Oswald Building Cooper Campus and Building C Room 112, Leestown Campus, provide services for students who have a documented disability and require academic accommodations or other assistance. Services provided are based on the individual needs of each student and may include specialized academic advising, career counseling, supportive counseling, tutoring, testing accommodations, classroom interpreters for the deaf, parking permits, accessible housing, and assistance in obtaining additional services or help through community resources.

Library / Learning Resource Center

Cooper Campus: The Learning Resource Center is in Oswald Building 221.

**Hours of Operation**
Monday – Thursday 7:45 a.m. to 9:00 p.m.
Friday 7:45 a.m. to 4:30 p.m.

Access also available through two open computer labs in Moloney 110 and 112. *(See Hours of Operation, page 13)*

Danville Campus: The Academic Resource Center/ open computer lab is in Room 107

**Hours of Operation**
Monday – Thursday 8:00 a.m. to 9:30 p.m.
Friday 8:00 a.m. to 4:30 p.m.
*(Weekend hours are scheduled anytime classes meet in the building.)*

Lawrenceburg Campus: The Academic Resource Center is a library/open computer lab, Room 114

**Hours of Operation**
Monday – Thursday 8:00 a.m. to 8:00 p.m.
Friday 8:00 a.m. to 4:30 p.m.
Leestown Campus: The library/ open computer lab is located in M 128.

**Hours of Operation**

Writing Center (Cooper Campus)

Faculty are encouraged to refer students who need assistance with any writing project to the Writing Center located in 150 Moloney Building.
Safety and Security

Safety and Security Manual

Copies of the Bluegrass Community and Technical College Safety and Security Manual are available for quick reference online at http://www.bluegrass.kctcs.edu/safety. This information includes issues such as emergency evacuation, assisting people with disabilities from buildings in an emergency, bomb threats, tornados, earthquakes, training requirements, workplace hazardous communication/right to know, bloodborne pathogens, the lab standard and chemical hygiene plan training, hazardous materials handling, the workplace violence policy, and emergency call numbers. A desktop reference version of the Emergency Procedures Guide for faculty and staff can be printed from that website for quick reference and emergency contact phone numbers.

First Aid Kits

First aid kits are located in all Division Suites, the Records Office, 203 Oswald Building, the Maintenance and Operations Office, 128 Oswald Building, and at Regency Campus outside room 111.

General Guidelines

a) If the emergency occurs in the classroom, the instructor of the class assumes responsibility for carrying out the emergency procedures.

b) If the emergency occurs outside the classroom, the first college employee on the scene assumes responsibility for carrying out the emergency procedures.

c) The emergency number is 911 for Police, Fire and Ambulance assistance.

d) A report of all accidents/emergencies, etc., should be filed within 24 hours. Report forms are available in the Human Resources Office, 208 Oswald Building and online at http://www.kctcs.edu/businessaffairs/FORMS/#HumanResources in the Facilities Management Forms-Accident Report Form (FM84). A copy of the report is to be submitted to the Dean of Operations, 202 B Oswald Building, Cooper Campus. If the accident or emergency involves a College employee, a copy should also be sent to Human Resources, 208 Oswald Building, Cooper Campus.

e) Procedures apply to accidents or emergencies which occur on campus, including leased facilities and other off campus/extended campus sites.

Specific Procedures

a) The faculty/staff member should:

1) call 911 and notify the Crisis Management Team by dialing 55911;

2) stay with the victim until emergency treatment personnel arrive; (Staff are advised not to transport the victim under any circumstances.) and,

3) determine the identity of victim and provide data to emergency personnel.
b. Student Affairs Office personnel will contact family or relatives of the victim and arrange for transportation as needed.

In case of injury, notify your supervisor immediately; failure to notify your supervisor could result in denial of benefits. The supervisor reports occupational injuries that occur in the workplace to Workers Compensation, by calling 502-564-2226 or 1-888-860-0302 (8:30 a.m.-4:30 p.m.). If injury occurs during the evening hours or weekends, the injury must be reported at the beginning of the next working day. The employee may select the physician or medical facility to render care. Request that medical bills be sent to Human Resources, 208 Oswald Building, Cooper Campus.

An Accident Report Form (FM84) should be completed and is found in the Facilities Management Forms page on: [http://www.kctcs.edu/businessaffairs/FORMS/#HumanResources](http://www.kctcs.edu/businessaffairs/FORMS/#HumanResources)

In addition, the First Report of Injury (IA-1) must be completed within three (3) working days (contact Cooper HR Office). This report must be completed even if the employee does not plan to visit a doctor.
Compliance with Regulations

Bluegrass Community and Technical College is committed to a policy of providing educational opportunities to all qualified students regardless of economic or social status, and will not discriminate on the basis of race, color, religion, sex, marital status, beliefs, age, national origin, sexual orientation, or physical or mental disability.

Compliance with Title IX of the Educational Amendments of 1972, which prohibits sex discrimination, and with Title VI of the Civil Rights Act of 1964 is coordinated by the KCTCS Affirmative Action contact, Lawrence Fortson, the Director of Diversity and Employee Relations.

Efforts to comply with the laws and regulations applicable to people with disabilities are also coordinated by the Affirmative Action Office, as required by Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990.

Questions concerning compliance with regulations may be directed to the Kentucky Community and Technical College Affirmative Action Office, or the Director of the Office for Civil Rights, U.S. Department of Education, Washington, D.C.

Bluegrass Community and Technical College is in compliance with the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendment of 1989. Questions may be directed to the KCTCS Chancellor or the Human Resources Services Director’s Office.

Questions about admission to Bluegrass Community and Technical College should be directed to the appropriate admissions office.
