Strategic Plan Development Action Team

Charge:
- Facilitate the development of the 2010-2015 Strategic Plan involving internal and external stakeholders
- Coordinate with KCTCS in developing the timeline for the strategic plan
- Conduct and report environmental scans; data reviews; a SOAR (Strengths, Opportunities, Aspirations, Results) Analysis; and other information gathering activities in support of plan development
- Support the work of the community stakeholders, college board, and college leadership in developing goals, objectives, and performance indicators
- Facilitate communication of plan to college

Membership: Appointed by the president
