AD HOC COMMITTEES AND SUBCOMMITTEES:

Ad hoc Committee on Workload
Charge:
- Study workload expectations within the college, across various divisions and campuses, and in other institutions
- Committee is to report to Faculty Council, and make recommendations on necessary changes for consideration by Faculty Council

Ad hoc Committee on Policies, Procedures and Communication
Charge:
- Address issues which have not been satisfactorily resolved through regular channels. Individual problems are addressed in a strictly confidential manner
- Make recommendations on changes to college policies and procedures to the president and to Faculty Council

Faculty Advisory Committee on Information Technology (FACIT)
Charge:
- Assess and advise on current and future Information Technology (IT) needs from a faculty and pedagogical point of view
- Be a forum for faculty experimenting with or using new technologies to share ideas and brainstorm solutions
- Recommend to the BCTC President ways to integrate IT into a richer learning environment
- Advise on policies, procedures, planning, budgeting, selection, purchase, deployment, implementation, training, service, upgrade, and maintenance related to IT hardware, software, and networks that affect instruction and all other areas of faculty responsibility
