Multiculturalism and Inclusion Advisory Committee

Charge:
- Review and become familiar with affirmative action goals
- Recommend activities and practices for students, faculty and staff that may support increased awareness and commitment to a civil and respectful campus climate
- Recommend methods of improving employment practices to develop diverse pools and ensure adequate consideration of all candidates
- Recommend methods of improving recruiting practices to seek and admit a diverse student body
- Assess and report on annual efforts and successes

Membership: Five community members, one faculty member from each academic division, at least one student member and staff member. VPs of Multiculturalism and Inclusion, Academics, and Student Development are ex-officio.
