Dear Clark County resident,

This survey will help the Clark County Public Educational System assess how to better serve the needs of our community. Your input is essential to this process, and we have prepared this brief questionnaire to help us decide which courses to offer.

Please take a few minutes to complete the survey, and return it by February 1, 2006 to the address at the bottom of the page. Only people age 18 or older should complete this form. Thank you in advance for your thoughtful responses. ...Cora Heffner,
