The 2005 Bluegrass Community and Technical College (BCTC) Fact Book serves as a statistical reference to historic information about Central Kentucky Technical College (CKTC), Lexington Community College (LCC) and the recently consolidated BCTC students, employees, and financial resources. The electronic version may be accessed at our website (<http://www.bluegrass.kctcs.edu>) or directly from the Institutional Research Office's home page:

<http://www.bluegrass.kctcs.edu/BL/IACD/InstitutionalResearch>

While the Fact Book features selected information for 2005, it includes information from prior years as well. Full-time equivalent (FTE) calculations are based on the Council of Postsecondary Education's (CPE) definition ("undergraduate student credit hours divided by 16"). Several sections of historical data for years 2000-2004 are from "unofficial sources" published in previous Fact Books. The Fact Book lists sources of the data so readers may refer to these sources for more detailed information.

The 2005 Fact Book will be distributed in two sections. In addition to the items included in Section I, Section II will include the topics of student financial aid, student retention from 2000 to 2005, a comparison of KCTCS peer institutions, employee/personnel information, and financial revenues and expenditures.

The 2005 Fact Book should serve as a regular reference for accurate and practical data about BCTC and its history. Comments and suggestions are welcomed. You may e-mail to [rena.murphy@kctcs.edu](mailto:rena.murphy@kctcs.edu) or send to:

Office of Institutional Research  
2647 Regency Road, Suite 101  
Lexington, KY 40503

A handwritten signature in black ink that reads "Rena K. Murphy". The signature is written in a cursive style with a large, stylized initial 'R'.

Rena K. Murphy, Ph.D.

## Mission Statement, Vision and Values

---

### MISSION STATEMENT

#### MISSION

With students at the heart of our mission, the Bluegrass Community & Technical College provides open access to excellence in teaching and learning. Through comprehensive and responsive programs and services, we sustain a strong partnership with the community to improve economic vitality and quality of life in the region.

In pursuit of our mission, the Bluegrass Community & Technical College provides the following:

- Certificate, diploma, associate degree, and transfer programs
- Developmental education programs
- Adult education programs
- Workforce and business & industry customized training programs
- Continuing education and community outreach
- State-of-the-art technology
- Student and customer-centered support

Bluegrass Community and Technical College was formed in 2005 following the consolidation of Central Kentucky Technical College and Lexington Community College. Bluegrass Community and Technical College is a member of the Kentucky Community and Technical College System and is a public two-year degree granting institution serving the Bluegrass Region of KCTCS.

(Mission Statement approved by the KCTCS Board of Regents September 23, 2005)

#### VISION

Bluegrass Community & Technical College is the premier provider of educational opportunity and a leading force for social and economic vitality in the region.

#### VALUES

In pursuing our vision and enacting our mission, the Bluegrass Community and Technical College holds the following as the values underlying all activities:

- Open access and affordability
- Excellence in teaching, advising and supporting students
- Lifelong learning
- A culture of trust, respect, and open communication
- Diversity of thought, culture, and experience
- Transferability and applicability of skills and coursework
- Efficiency and effectiveness
- Strategic planning
- A skilled workforce and economic vitality
- Flexibility in responding to community needs

Cosmetology  
Dental Assisting  
Dental Hygiene  
Dental Laboratory Technology  
Medical Assisting (includes Phlebotomy)  
Nuclear Medicine Technology  
Radiography  
Respiratory Care  
Surgical Technology

### **Behavioral Sciences**

Interdisciplinary Early Childhood Education  
Para-Educator  
Psychology  
Student Development and Counseling

### **Business Technology**

Accounting  
Business Administration  
Economics  
Medical Information Technology  
Office Systems Technology

### **Computer Science and Information Systems**

Computer Information Systems  
Information Management and Design  
Information Technology

### **History, Languages, and Social Science**

Anthropology  
Communications  
Foreign Languages  
Geography  
History  
Political Science  
Sociology

### **Humanities**

Developmental English/Reading Strategies  
English  
Philosophy  
Women's Studies

### **Manufacturing Industrial Technology**

Civil Engineering Technology  
Electrical Engineering Technology  
Electrical Technology  
Engineering Technology  
Industrial Maintenance

### **Mathematics and Statistics**

Mathematics  
Statistics

### **Natural Sciences**

Biology  
Chemistry  
Environmental Science Technology  
Physics

### **Nursing**

Medication Aide  
Medication Nurse Aide  
Nursing (LPN)  
Nursing (RN)

### **Trades and Technologies**

Air Conditioning Technology  
Architectural Technology  
Auto Body Repair  
Automotive Technology  
Carpentry (Construction Technology)  
Civil Engineering  
Computer Aided Drafting  
Fire/Rescue Science Technology  
Horticulture  
Machine Tool Technology  
Masonry  
Security Management  
Small Engine Repair  
Welding Technology
